Volunteer Opportunities:

- Patches for Progress -** We distribute 4500 Patches tracking forms to the schools 5 times a year. This would involve helping to separate the forms into groups of 26 forms per classroom & dropping forms off at a school(s).
- Book Sales -** This is two categories. We schedule people to come in once a week, at their convenience, to sort books, straighten & fill shelves in our "Used Book Sale Shelves" in the main Library. We also have a Semi Annual Book Sale in the Spring & Fall and schedule people to work during the sales. There are several types of shifts available - one is for you!
- Book Pick-Ups -** This is a service that we like to offer on an as-needed basis. Sometimes we have an elderly supporter that wants to donate books. We like to make this easy for them by having several friends ready to help pick-up, if needed. This could be a great service as we hook up with realtors to offer a service to pick up books, tapes, CD's & movies from residents moving that would prefer NOT to move them - we'll take them!
- Fundraising -** This involves a Business Friends campaign & follow-up with area businesses, now that we have our Non-Profit status.
- Special Events & Programs -** Want to Volunteer at a Library Event?? Let us know your preference & we'll pass it along to library personnel.
